Stacy,

Hope you had a good trip. A reminder that our Board meeting at which you will be voted in is on July 12 at 8 a.m. at our offices. Hope you will be there.

The pidgeon problem is most likely to be handled by Animal Services but your best bet is to contact Marie Rumsey at CCA who can help you deal with the issue. I have spoken to her about it and you can reach her at 213-624-1213.

Look forward to seeing you soon.

Best,

Carol

Thank you very much, Carol. I appreciate the invitation to the join the board, and I have marked July 12 in my calendar. Attached please find my bio. If you need additional information, please let me know.

Thanks too for your message about the pigeons. I am heading out of town on vacation for a few weeks. May I have our operations director call you for more information? Or if you have information I can share with her, please let me know. Thank you very much.

All best and with warm regards,  
Stacy

Dear Stacy,

It was delightful to meet you. The Broad is indeed lucky to have someone with your expertise and experience. I have reviewed our board openings and composition. We have one board slot available and we would be delighted to have you participate. Please send me a copy of your bio and we will present your nomination at our next board meeting on July 12<sup>th</sup>. The meeting will begin at 8:00am in our conference room at 626 Wilshire Blvd., Suite 200. We suggest that you come to the board meeting and after a quick vote of the board, you will be able to participate in the meeting. We look forward to your contribution on behalf of The Broad and I'll see what can be done about those pigeons.

Best regards,

Carol

Dear Carol,

Thank you very much for lunch on Tuesday. I enjoyed the opportunity to learn more about your many contributions to the redevelopment of Los Angeles, the recent and current work of the BID, and how the Broad can continue to be helpful.

Suzanne in your office is working with Deborah Kanter in ours to continue sorting out with the city some of the issues related to our property assessments, and we are grateful for her help.

Please stay in touch about the possible board position. And if you can point us in the right direction to help control our pigeon problem, we would be very grateful.

I look forward to working together.

All best and with appreciation,  
Stacy
